RE: Island Pond Dam #203.10 in Rindge
Letter of Deficiency (LOD) Dam #203.10
Issued on September 7, 2000

Dear Mr. Dickerman:

Based on a file review and a scheduled inspection conducted on November 5, 2003 of the above referenced dam, the Department of Environmental Services has determined that the referenced LOD is being closed out. The reason for this determination is non-compliance and issuance of another LOD, which incorporates the outstanding items noted in the 9/07/00 LOD as well as additional items of deficiency.

If you have any questions or comments, please contact me at 603-271-3406 or write to the Water Division at the address listed below.

Sincerely,

Dale F. Guinn, P.E.
Dam Safety Engineer
